

*Oil study
analysis*

10 MAY 1977

MEMORANDUM FOR: Legislative Counsel
FROM: Director of Central Intelligence

1. Would you check to see whether Senator Hansen was one to whom we sent our oil studies originally. If he was not, please do so as a follow-up to our breakfast with him.
2. You might consider the same for Senator Schmitt. It seems to me they were the two who were most involved in the discussion on oil.
